

Discover Scuba

Have you ever wondered what it would be like to scuba dive?

Imagine being able to breath whilst under water and experiencing the sensation of weightlessness.

Here is your chance to Discover Scuba

The Class

Students will have a brief introduction to scuba diving after which they will experience diving first hand in the pool. A PADI instructor will be with the students at all times to ensure a safe and memorable experience.

Course Fee

The cost of the Discover Scuba class is £20.00. This includes all equipment and air.

If you decide to continue your diving experience and gain your passport to the underwater world, you may then enrol on the PADI Open Water course. The cost of the Discover Scuba course will be deducted from the cost of the Open Water certification.
